

Declaration of performance

Nr. T6-1154-001-EN

- Unique identification code of the product-type**
Door-closer with controlled closing-sequence **TJSS T6L / TJSS T6 GL**
- Intended use**
Door-closer for smoke and fire doors
- Contact details of the manufacturer**
J. Schmid Apparatebau AG, Bernstrasse 5, CH-4665 Oftringen
- System of assessment and verification of constancy of performance**
System 1
- Harmonised norm**
EN 1154:1996 + A1:2002
- Notified body**
Universität Stuttgart für die Materialprüfungsanstalt Universität Stuttgart
(MPA Stuttgart, Otto-Graf-Institut)
Pfaffenwaldring 32
D-70569 Stuttgart
Notified Body Nr: **NB 0672**
- Declared performances**

Essential characteristics	Performance	harmonised technical specification
Self closing	<ul style="list-style-type: none">- closing of doors up to 180° opening angle (class 4)- door-closer size EN 2-5- application on smoke and fire doors (class 1)- security (class 1)- temperature dependance at 40°C and -15°C: ≥3s ≤25s- adjustable latching- adjustable force of the door-closer	EN 1154:1996 + A1:2002
durable operation of the door-closer	<ul style="list-style-type: none">- durable operation 500'000 cycles (class 8)- corrosion resistance (class 0)	
dangerous substances	<ul style="list-style-type: none">- The used materials contain no hazardous substances exceeding the established limit values	

The performance of the product identified above is in conformity with the declared performances. By drawing up the declaration of performance in accordance with the relevant harmonised technical specifications the manufacturer is in sole responsibility for it.

Signed for and in the name of the manufacturer:
